PREVIEW

LVW **PREVIEW** runs congruent with an overnight camp - rehearsal running until late Saturday night, sleep chaperoned in the FVL gymnasium, resuming on Sunday. If you are not sure about joining LVW, you are welcome to spend the entire weekend with us anyway; getting to know the band and how we operate, meet new friends, learn great music/dance, and have an amazing January experience. If you are curious about LVW but only want to attend the Saturday **PREVIEW** until 5:00, please be sure a parent contacts Mr. Braatz to make arrangements.

Dinner on Saturday will be provided as well as breakfast and lunch on Sunday. You are encouraged to eat lunch before you arrive on Saturday.

We will attend 5:30 PM church service as a group on Saturday at Mt. Olive in Appleton. Please plan to bring church clothes separate from your rehearsal clothes.

Direct any other questions or comments to Mr. Braatz.
