

Lutheran Vanguard of Wisconsin

Let Your Light Shine!

Dear Friend,

This summer I will be participating in **Lutheran Vanguard of Wisconsin**. LVW is a Christian marching and competitive field show band made up of members from 9 Wisconsin Evangelical Lutheran Synod high schools. Now in our 36th year of operation, LVW performs before hundreds of thousands of spectators each summer, and proudly proclaims the Cross of Christ in song and performance.

My participation in LVW requires not only dedication and hard work, but also a financial commitment. With your help, I'll be able to march this summer with Vanguard...will you help with a pledge or donation to help offset the cost of my tuition?

With 10 parades and 11 field shows scheduled for this summer (at about a mile per event), I will march approximately 20 miles (not counting the many, many miles we march everyday in rehearsals!). A tax-deductible pledge of \$1.00 per mile marched would equal a \$20.00 donation on your part, and would be greatly appreciated. If you'd rather pledge a different amount per mile or make a one-time donation in any amount, it will go a long way toward helping me reach my goal.

Pledges and donations are due by April 30, and checks can be made out to **LVW**. Your support is very important to my participation in Lutheran Vanguard, and it comes with my sincere thank you for helping to make it possible. And, if you'd like to see the Lutheran Vanguard in action, I invite you to attend our **Home Show on June 22, 2013 at 7:00 p.m. at Fox Valley Lutheran High School** in Appleton.

THANK YOU!
